The Secretary.

Muzrai Department.

Bangalore.

Sir.

I beg to bring to your notice that timber stealing is going on in the vicinity of Kalasa, and it is to the Temple interests that this should cease. The Deputy Commissioner has already detected a case of 7 valuable trees being felled in Inam land. I have also reported the case of a Blackwood (Rosewood) tree which has been felled just outside my Estate boundary, sawn up and 19 planks & 1 beam removed. The Police are investigating the case.

As the Temple is losing heavily by these thefts, may I suggest that you send up a responsible official to watch these cases as the local Police are so slow to move in the matter.
I have given the Forest Department a list of 19 trees (there are many more) which have been sawn & removed at various times.

By your acting promptly in sending an Official my case will be a good one & if the offender is brought to book it will be an example to others.

I am Sir
Yours faithfully
W.H. Reed.
